

Are You Technically Challenged? Does Technology Intimidate You?

**Maybe we can help
at the Caledon Seniors Centre!**

We have an awesome new program where you will be taught the basics with our new Chromebook Laptops 'New Chromebook Laptop Lending Program' where you can practice in the comfort of your own home at your own speed with tech support provided and access to the internet

Benefits – Learn how to:

Keep in touch with family and friends, locally or globally

Source of entertainment

Library at your fingertips

Join in the many virtual programs offered at the Centre

And so much more.....

Contact the Centre for more information
