MESSAGE FROM THE PRESIDENT

HAPPY 2024!

Another year has flown by, and we have seen positive changes happening at the Centre.

Our new AV system is up and running so we can enjoy special events on the TV's – maybe even Blue Jays games! Music has been playing and it's nice to see the smiles on members faces as they either hum to the tunes or sing off key!

We look forward to our new Pergola outside for shade in the summer and a new gas barbecue coming soon.

Spring is just around the corner with fun times ahead at the Centre.

Jane Chapman, President

FUNDRAISING NEWS

The Fund-Raising Committee continues to work toward meeting its goal of \$90,000 for the current operating year. As a result of the Bake Sale and Silent Auction and other program events, the Centre has now achieved \$70,000 in additional revenue. We will continue our efforts and feel confident that we will be able to achieve our target.

Given that it is the Holiday Season we remind our members that one-time and ongoing donations to support the operations of the Centre are welcomed. And anyone looking for a tax receipt, we will be pleased to provide you with one! Happy Holidays!!

Joe McReynolds, Fundraising Committee Chair

\$198,600 OTF GRANTS PROVIDE STATE-OF-THE-ART EQUIPMENT FOR ENHANCED PROGRAM DELIVERY!

The funding from the Ontario Trillium Foundation grants provides the Seniors Centre with a high-performance audio/visual and lighting system, ensuring a more enjoyable, energizing, and cognitive experience when participating in small groups or large gatherings. Members will have greater interactive opportunities without a doubt. The new outdoor program space enhancement with the new canopy, outdoor furniture and program equipment will increase our programable space and shield the Seniors from the sunlight and inclement weather. These grants have allowed the purchase of needed technical and physical equipment that will optimize participatory opportunities for many seniors. We also want to congratulate the Ontario Trillium Foundation on 41 years of granting and building healthy and vibrant communities across the province.
