

FUNDRAISING

UPDATE

The Caledon Seniors Centre (CSC) has supported adults 55+ since 1995 through recreation, education, and social connection across our main site and six satellite locations.

As our senior population grows, so does the demand for programs that prevent isolation, promote wellness, and support independence. To maintain these essential services, we must raise \$100,000 this year. Your support ensures seniors in our community stay active, connected, and thriving.

These numbers are estimates based on fluctuations and include all rooms and at our Bolton and Satellite locations.

| Our Fundraising goal is \$100,000

Your support helps keep seniors engaged physically, socially, and mentally—today and into the future.

For over **30 years** the Caledon Seniors Centre (CSC) a not-for-profit organization has been the hub for active living and a healthy lifestyle for seniors in Caledon. CSC is the heart of Caledon because it provides a vibrant and thriving community with many health benefits including helping prevent social isolation, empowering seniors to remain self sufficient, providing programs that keep seniors active, engaged and thriving.

Our fundraising goal for **2026/2027** is **\$100,000**. We will reach this goal through sponsorship opportunities, fundraising events, member donations, and partnerships with local businesses and organizations through third party initiatives.
